

Strathfield South Public School Mobile Phone Policy

Students are not permitted to use mobile phones at school. Any urgent messages can be passed onto students via the school office.

If parents or carers insist on their children carrying mobile phones they should be aware that

- the phones must be turned off between 9:00 am and 3:00 pm.
- the phone must be kept securely in the student's bag.
- students should not display the phone nor advertise that they have one.

If a student does not comply with these requirements the phone will be taken from the student and kept in a secure place. Parents will be notified that they will need to collect the phone in person.

Please note that the school's staff will not investigate or be held responsible for the damage or disappearance of any mobile phones.
